6 December 2024

Dear Parent(s)/Carer(s),

Next year will be the year of the long awaited move to our new school.

We have been informed that the school will be completed in time for the children to start the Summer term 2025 in the new school building.

The Local Authority have authorised three days for staff to pack up the current school and unpack at the new school. These will be Thursday and Friday 3rd & 4th April and Wednesday 23rd April 2025. **The school will be closed to pupils on those three days so extending the Easter break.** Remote learning will be set for the three days.

We apologise for the inconvenience as we understand this may be difficult for some families. Moving a school to a new site is a huge undertaking that happens rarely and we hope you will appreciate the new facilities and think it is worth the effort in the long term.

It is an exciting time in the life of the school, our hope is that we will be able to take the children to visit the new building towards the end of next term so they will already know what it will be like when they start there for the Summer term.

Yours sincerely,

Paul Culley-Barber
