

We are still enjoying listening to David Erick Ramos playing the ocarina. We have also heard some other artists too.

There is lots more information about 4-hole ocarinas from the Ocarina Workshop

# Year 2 Ocarina

This term Year 2 are continuing to play the 4-hole Ocarina. We are building on the skills we learnt last term and reinforcing the techniques to produce the best sound possible. We are learning some familiar tunes, singing them and performing one as a round.
