## RED NOSE DAY

We all enjoyed coming to school in something red for Red Nose Day! Some children even had painted red noses.

Many thanks for your Red Nose Day donations via Parent Pay. We have raised £251.50 so far!

## WROXHAM BARN

Reception had a great trip to Wroxham Barns today. They enjoyed feeding the sheep, goats, alpacas and cows (out of the bottle). Well done Reception, you were a credit to the school.

## SCIENCE WEEK

8-17 March  
British Science Week 2024

The children have been enjoying lots of different science activities across the school this week. The activities have all been related to the theme of 'Time' and range from looking at the best

materials for shadow puppets, looking at how long different types of plastics take to decompose and how animals have adapted over time. Please chat to your child about their learning which they will also be sharing in a celebration assembly on Monday.

A big thank you to Steph Gilliver who came into speak to year 5 and 6 about how her job is related to STEM and to

Amanda Reed who gave year 3 and 4 on an exciting forensic scientist experience! The children were really inspired and asked lots of interesting questions.

## EASTER MENU

The menu for Wednesday 27 March has now changed for our Easter Lunch. If you had already booked a meal for that day, can you please re-book your child's lunch. The new menu is attached.

## RARING2GO!

The Spring edition of Raring2Go! Is now available. It covers events and activities through March-May for families to take part in. Please use the link for the online magazine <https://magazines.raring2go.co.uk/norwich/spring2024/>

## MATCH REPORT

## KORFBALL

We took 9 players to our first ever Korfball event, focused on Year 5's, to UEA Sportspark on Wednesday 13th March.

The squads were (Green team): Leo, Max, Hollie, Dara. (Black team): Mason, William, Jackson, Courtney, Annabel.

Korfball is a fast paced game, with similarities to netball. Played as boys & girls mixed teams, it was a real learning experience for our pupils, who demonstrated great teamwork & support for each other throughout.

Both teams played 5 matches in total, the first 4 were in a round robin box, where both teams managed to win 1 match! This resulted in both teams having to face off for 7<sup>th</sup>/8<sup>th</sup> position overall. The Black bibs winning the 'battle of Blofield'.

Shout outs for the day go to the Green bibs for scoring in every match, and to Jackson, Leo & Hollie for scoring 3 each. Many thanks to Mr D'Rosario for your help, Miss Holland and Mrs Stones for your help with driving us all to the UEA Sportspark.

We are looking forward to the summer dates, it would be great to see an increase in pupils attending Korfball club, on Wednesdays in the summer.

## OPAL STAR OF THE WEEK

OPAL PLAY TEAM STAR OF THE WEEK

This week's star is Millie!

Thank you so much for volunteering to help lots this week and playing with the younger children. Well done!
