The children know where they are going, so please leave them to go to their classrooms by themselves. .

A reminder that dogs are not allowed on the school site and that children should not ride scooters or bicycles in the school grounds but walk them round to the bike sheds if they are leaving them there for the day. Thank you.

## ATTENDANCE

All parents should have received the updated guidance from Norfolk County Council on School Attendance and Legal Intervention. Please ensure you read the document, so you understand the process if you wish to take your child out of school.

Taking your child(ren) out of school during term time can have a significant impact on your child's education. We support the government's stance on trying to reduce the amount of school missed and we hope that you will continue to support us by not planning a leave of absence during term time.

## NUTS AT SCHOOL

**!** We have children at school with allergies to nuts. Please can we remind all parents not to send any nuts to school for snacks or in packed lunches, this includes peanut butter on sandwiches. Thank you.

## Y4, 5 & 6 GUITAR CLUB
