VISIT FROM NARS

NARS visited the school to deliver a fun session teaching children how to call 999, how to recognise someone that is in need of help and how to give CPR. The children had the experience of looking round and sitting in one of the response vehicles, pressing the buttons for the lights and siren and trying on helmets and hi-viz.

Everyone enjoyed learning first aid and how to react in an emergency. Well done everyone!

NAME EVERYTHING!

Reminder: Please name **ALL** your child's uniform and other items they bring to school, including water bottles and sports clothing for PE.

Named items do not stay long in our lost property box, as they can quickly be returned to their owners.

SPECIAL MENU 3RD OCTOBER

We are having a special 'Mexican Fiesta' menu on Thursday 3rd October.

If you would like your child to have a school lunch on 3rd October, please check that it is ordered by logging into your ParentPay account.

HEALTHY SNACKS & PACKED LUNCH

As we start the new school year, we would like to remind you about the importance of children having a healthy diet – it can also have a positive impact on their learning. Our school lunch menus are designed to fulfil the balanced healthy eating plate which children learn about as part of their PSHE lessons. If your child has home packed lunches, this website has some really useful recipe ideas to help make sure it has foods from a range of food groups.

Playtime Snacks

KS1 children (Reception, Year 1 and 2) do not need to bring in a snack as they are all entitled to a free fruit / vegetable snack every day. Each week the choices vary and include carrots, raisins, apples and tomatoes.

KS2 children may bring some fruit or vegetables from home to be eaten as a playtime snack. If they are having packed lunch, they will be encouraged to leave all other items for lunch time.

Thanks for your support.

A Better Way...with NHA

Unlock the power of the Nurtured Heart Approach® (NHA) with our exclusive one day training offer.

Are high quality relationships with children and young people important to you either at work or at home? Would you like to learn a sure fire way to create powerful, positive connections with the people around you?

The Nurtured Heart Approach is a highly acclaimed relationship-focused methodology in action across the world in classrooms, counselling rooms and around the kitchen table.

This one day course is delivered by Certified and Advanced Trainers from registered charity The Benjamin Foundation, who have embedded the Nurtured Heart Approach into everything they do, from nursery and childcare settings, mental health & emotional wellbeing sessions in schools and with families, youth work and young carers support, and in its supported accommodation services for young people at risk of homelessness.
