## KORFBALL MATCH NEWS

On Wednesday 22<sup>nd</sup> January our year 6 team played in the spring term Korfball event at Sportspark UEA. The team drew two matches and lost two very close games 0-1 and 1-2 with our opposition scoring in the last few seconds of each match! Overall, another improved set of performances ready for a big push in the summer event. Well done to all players.

## RSPB BIG BIRD WATCH

Reception and Year 1 had a visit from Gal-liford Try who are involved in various local wildlife projects. They came into school to talk to the children about the RSPB Big Garden Bird Watch. The children learnt many facts about different birds and how to make fat balls for them to pop outside and log bird activity.

## PTA NEWS

We're looking for someone to take on the Treasurer role in our PTA as Charlotte has decided to step down. Charlotte has been a hugely valued member of the team, and we'd like to extend our heartfelt thanks for all her hard work and dedication over the past few years - we will miss you Charlotte!

We are now in need of someone to join the team as soon as possible. This is an important position, but it's designed to fit around your life - no need to worry about it taking over. We're a friendly group who meet a few times a year and would love to welcome you to the team. Main duties include:

- Keeping track of income and expenses
- Managing payments and banking proceeds
- Updating the bank mandate as needed
- Completing the annual charity return
- Managing the SumUp store for tickets
- Submitting lottery and raffle returns
- Claiming glass recycling funds

If this sounds like something you'd be interested in, please drop us an email. We'd be happy to answer any questions or chat further.

Thank you,  
Blofield PTA

## NORWICH SCIENCE FESTIVAL

Norwich Science Festival returns this February half term, bringing an incredible line-up of shows, talks and workshops to the city from Saturday 15–Saturday 22 February!

From forensics to science fiction and space exploration, the much-loved city Festival will explore the science of tomorrow with a jam-packed programme of events. Please use the link for more information [Norwich Science Festival 2025 - Visit Norwich](#)

## PARENT CONSULTATIONS

Class teachers will be holding parent consultations **week commencing 10th February 2025.**

**Appointment lists are on the external windows of the school hall for you to sign up.**

**We will open the school gates every day from 7.45 a.m. until 9.00 a.m. and then from 3.20 p.m. until 6.00 p.m. to enable you to book your appointment.**

Consultations will take place face-to-face at school and will last for up to 10 minutes. Please arrive no more than 5 minutes before your appointment time.

Due to the availability of each teacher, if you are a split family, please try to arrange to attend an appointment together if possible, so your child's teacher can give you both the same update.

## MATHS CAFÉ'S

Please see below for a full list of the Maths Café's that class teachers will be holding:

Year R: Friday 31st January, 9:00 - 9:45
