AUTHOR VISIT

On Monday, children in Key Stage Two were visited by author, Julia Edwards. Julia introduced us to her historical fiction books from *The Scar Gatherer* series and told us fascinating facts from history. The children had lots of questions for Julia and were given the opportunity to test their historical knowledge. Following our whistle-stop tour of *The Scar Gatherer* books, Year 5 took part in a drama-based workshop, and Year 3 learnt all about the Romans in preparation for their history topic next half term. We had a great morning and want to thank the PTA for funding Julia's visit.

FREE LESSONS

Monday 24th March there will be a FREE Badminton lesson after school until 4.15pm with local Badminton coach Ian Murphy. Ian came in a couple of weeks ago to see year 6 and will be offering a free lesson to the first 8 girls in year 5 and 6 who sign up.
Please email Mr. Stocker - cstocker@blofield.norfolk.sch.uk

RED NOSE DAY

It's Red Nose Day on Friday 21 March 2025. We would like to invite children to wear something red at school that day for a donation of £1 made on Parentpay (from next week).

Children can paint a red nose on if they like but they are not able to wear any Sainsbury's red noses at school. They can be a distraction in class, but also cause distress to the children if they are lost.

LOST PROPERTY

A reminder that property is available outside the School Office for one more week. On **Thursday 20 March 2025**, all unnamed items will be recycled. Please check the boxes for any items your child may have lost and as always, **please please please name ALL items your child brings to school.**

Y2 MATHS CAFE

Thank you to all the parents/carers that attended our Year 2 Maths Cafe. The children thoroughly enjoyed doing the activities and having their family there with them to join in. I hope it was useful for you to see some of the ways we do maths in Year 2 and the methods that we use.

PTA AGM

Please support our wonderful PTA by joining them at the Blofield Primary AGM, **Wednesday 30th April 2025 at 6:00 p.m. in the Year 6 Classroom.**

CHILDHOOD ILLNESSES

Children are likely to feel poorly at some points during their lives, as their bodies build immunity to infections. While it's hard to stop your child from ever getting sick, the links below will help you find out more about illnesses, how to help your child at home and where to get help if needed.
