## HAPPY SMILES VISITING RECEPTION APPOINTMENTS DURING SCHOOL DAY

Reception had a fantastic visit from Emma from Happy Smiles on Monday. They learnt so much about keeping their teeth clean and healthy!

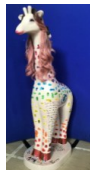

They learnt lots about sugar content and talked lots about what a dentist has to wear to keep them and their patient safe. They even had a go at brushing some teeth using an electric and non-electric tooth brush!

If you would like to collect your child from school during the school day for an appointment, please inform their class teacher and the office by sending a message to the class email and copy in the office. Many thanks.

## GOGO SAFARI MINI GIRAFFE AMY

We are pleased to announce our GoGo Safari Mini Giraffe, Amy, will be in Pure Brides, Castle House, Castle Meadow, NR1 3BY when it goes on display.

GoGo Safari will be in Norwich from 23rd June to 30th August 2025.

## PE LESSONS

In P.E. lessons this week the children have been practising sprinting faster and throwing further. They have all been doing very well and are achieving their goals. Well done!

## FOREST SCHOOL

Spending time outside is important for children. In Forest School for our first session Reception and Year 1 have been looking and listening for signs of spring. They have spotted lots of birds singing and flowers and shrubs appearing.

To help the birds the children made nests and used moss to make the nests comfy and warm for the birds to lay their eggs. They also had lots of fun making birds out of paper plates and feathers.

## SPONSORED MOVEMENT

A huge THANK YOU to all the children that took part in the Sponsored Movement over the Easter Holidays. Some fantastic challenges were completed including 100 minutes of Hula Hooping, 10,000 steps a day, climbing a mountain, cycling, walking, running and most of all having fun!

The total raised by the children was a fantastic £2629! We were also lucky to receive pound matching from Aviva to the value of £1000.

In total we have an incredible £3629 to spend on outdoor equipment for the new school. A meeting has been held to discuss how it'll be spent, the children have helped compile shopping lists with their teachers and we'll be in talks with the School Council about what they think would enhance play times.

Well done to Isabelle in year 5 who won the prize draw and received an Easter goodie bag for taking part.

We'll report back once decisions have been made about spending but again, a massive thank you to everyone that took part!

## SUN SAFETY

The weather is improving and the sun is coming out.

Children may wish to bring a suitable hat/cap to wear outside and please ensure that these are clearly named. If required, please apply sun cream in the morning, before your child comes to school. They can also bring a small bottle of sun cream to school but they must be able to apply it themselves.

Please ensure any bottles are clearly named.
