CONGRATULATIONS!

ART CLUB

Well done to our students who ran the Race for Life for Team Amy, raising just under £2500!

Art Club have had a super time!

We have a new home in the school's dedicated 'practical room' where all our resources are stored.

We have had a weather theme with fans for hot days and sun catchers. This week we learned about the art of surrealist artist Joan Miro. Inspired by his dreamy drawings, we created wax resist and water colour kites.

Well done to our year 2, 3 & 4 students who took part in the Bubble Rush event 2025. It looked like a great day out!

SWIMMING

We will hopefully be swimming week commencing Monday 2 June 2025.

More information will be sent out next week regarding swimming days for each year group.

Well done to Harry R who was part of the U9 cup winning team last weekend for London Deltas.
