Y6 HAUTBOIS RESIDENTIAL

Year 6 had a brilliant few days away at Hautbois! They took part in a range of fun activities like, abseiling, ziplining and paddleboarding to name just a few. They enjoyed an evening by the campfire telling stories and jokes. They made fantastic memories and the children loved it!

WELL DONE

Well done to our Year 3 & 4 tennis players who competed at the county tennis finals on Monday. Three wins and two very close losses meant a 5th placed finish overall. Thank you to everyone who supported during the event.

Y3 THRIGBY HALL TRIP

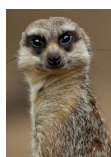

Year 3 had a wonderful time at Thrigby on Tuesday. We enjoyed exploring the gardens, seeing the meerkats, leopards, alligators and crocodiles. The noisy gibbons kept us entertained with their chatting! Everyone behaved brilliantly despite the very hot weather. Well done Year 3.

"I had a really fun time because I liked to see the cats and the warthogs." Tilly

"The harvest mice were tiny but very cute." Henry H and Leighlan

"My favourite part was seeing the tree shrews." Leyla
"I loved the meerkats - they were so cute!" Lily
"I enjoyed being with all my friends and seeing the cockatoos." Caelan

SPORTS DAY!

Thank you to everyone who came along to support Sports Day. I was pleased to see the children give their very best in each race, cheered on by all the adults & siblings on the sideline.

A BIG THANK YOU!

A big thank you to everyone who donated cereal boxes for our Domino Challenge. The cereal boxes have been donated to FABB (Food and Beverage Buddies) and will form part of the food parcels put together every week for local families in and around Norwich who are struggling with food poverty and who are finding it hard to buy even the basic foods needed to feed their family. Breakfast is such an important meal of the day so, the cereals that you have donated will help provide a nutritious and healthy start for lots of hungry people in the coming weeks. Currently, FABB put together around 50 parcels every week which means they need a lot of food, so thank you again for your kind donations.

MUSIC & TECHNOLOGY WORKSHOP

This week, children in Key Stage 2 took part in music and technology workshops led by Miss Yui from Conductive Music. Years 3 and 4 created melodies using call and response techniques; they connected crocodile clips to iPads to explore body conductivity - making music by touching ears, fingers and noses. Years 5 and 6 created music through coding and designing video games. A great experience for all!

ARTIST IN RESIDENCE!

Olivia went to visit Amy, our school Mini G at Pure Brides on Castle Meadow as part of the GoGo Safari trail. Olivia spotted her own creative contributions. Well done, Olivia, thank you for sharing.

MAGIC READING WEEK

Norfolk County Council has organised a Magic of Reading Week. It runs from 7-11th July and is a series of events that celebrate the joy of stories and shared reading. There is a wonderful line-up of esteemed local and national experts who will be sharing their passion for reading and its power to change lives.
