

## Year 3 – Spring Term 2026

### Public Speaking

This term, we will be continuing with Public Speaking as it is a great opportunity to help us develop confidence when talking in front of others. Just as in Autumn Term, there will be three or four presentations made by members of our class each week. Our topic for the term is, 'When I grow up, I would like to...' There might be lots of things that you would like to do when you are older. You could think about different jobs that you might like to try, places you would like to visit or different hobbies you would like to give a go.

Please prepare your public speaking at home as part of your homework. Make sure you practise lots so that you are confident when talking to the whole class. You might want to make a PowerPoint presentation, or you can just speak to the class if you would rather. To ensure you have lots of time to prepare, please check the timetable below:
