NEWS AND INFORMATION FOR PARENTS AND CARERS

Friday 28 November 2025

PARKING

A big thank you to those of you who continue to respect our request not to use the staff and visitor car park when dropping off or collecting children. Your thoughtfulness helps keep the area safe and supports the ethos of our community.

We know parking near schools can be challenging, and we truly appreciate the effort you make to find alternative places. By working together as a community, we can ensure safety and fairness for everyone.

Thank you for your understanding, cooperation, and for setting such a positive example for our children. Please can all families continue to follow this request to avoid awkward conversations. This also includes the request from the doctors surgery for not using their car park when coming to the school.

IN THE FIELD OF QUIET

Boys like Jack and Tom,
Who always play all day long,
In the field of quiet.

Trenches - deep and wide,
A perfect place to hide,
Built by boys like Jack and Tom,
Who always play all day long,
In the field of quiet.

Armies will fight to the bone,
Leaving the women all alone,
They're sitting in trenches deep and wide,
A perfect place for them to hide,
Built by boys like Jack and Tom,
Who always play all day long,
In the field of quiet.

Naval soldiers sail on massive ships,
Carrying men with quivering lips,
Armies will fight to the bone,
Leaving the women all alone,
They're sitting in trenches - deep and wide,
A perfect place for them to hide,
Built by boys like Jack and Tom,
Who always play all day long,
In the field of quiet.

Enemy planes fly overhead,
Leaving innocent souls lying dead,
Naval soldiers sail on massive ships,
Carrying men with quivering lips,
Armies will fight to the bone,
Leaving the women all alone,
They're sitting in trenches - deep and wide,
A perfect place for them to hide,
Built by boys like Jack and Tom,
Who always play all day long,
In the field of quiet.

They battled the foe over four long years,
Mothers are waiting to hear of their fears,
Enemy planes fly overhead,
Leaving innocent souls lying dead,
Naval soldiers sail on massive ships,
Carrying men with quivering lips,
Armies will fight to the bone,
Leaving the women all alone,
They're sitting in trenches - deep and wide,
A perfect place for them to hide,
Built by boys like Jack and Tom,
Who always play all day long,
In the field of quiet.

The overwhelming noise has gone,
No more screams, no more bombs,
They battled the foe over four long years,
Mothers are waiting to hear of their fears,
Enemy planes fly overhead,
Leaving innocent souls lying dead,
Naval soldiers sail on massive ships,
Carrying men with quivering lips,
Armies will fight to the bone,
Leaving the women all alone,
They're sitting in trenches - deep and wide,
A perfect place for them to hide,
Built by boys like Jack and Tom,
Who always play all day long,
In the field of quiet.

THIS MONTHS BEST READS

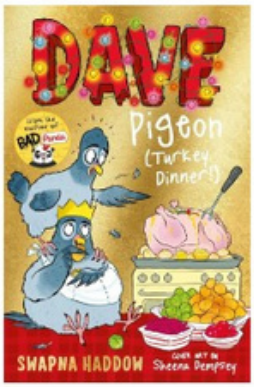

Hotel Flamingo Frosty Fiesta - Alex Milway

This is the fourth book in this early chapter book series and all of the Hotel Flamingo books are wonderful books to read. From KS1 children through to KS2, there is something for everyone in this short chapter book. The workers at the hotel are preparing for a quiet winter, the temperatures are dropping, and Mrs Turpington – the hotel's resident tortoise – needs to hibernate. Then, it snows more than anyone could have imagined, and the hotel becomes overrun with guests. What follows is how the hotel's community comes together to help many of its guests in so many different ways at a time when the hotel is full to the brim.

Letters from the Upside - Katya Balen

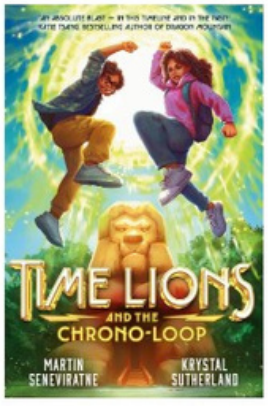

Con's in trouble . . . again. Since his dad left, he doesn't seem to be able to control his temper and this time someone has been hurt. Suspended from school for three days and in danger of losing his best friend, something has to change. After accidentally locking himself out of his flat, Con is invited to the Upside, a rooftop garden he didn't know existed, by old Mr Williams. And there's a further surprise – Mr Williams' pigeons. Con quickly develops a love for these gentle, intelligent birds. So much so that Mr Williams leaves him in charge of them for a few days. But then, disaster strikes . . . Will Con let his anger continue to burn and consume him and everything around him? Or will he find the true Upside to life? Watching the impact of a kind neighbour and his beloved birds on Con is heart-warming, as is seeing the power of positive action on a whole community.

Dave Pigeon Turkey Dinner - Swapna Haddow Pigeon-duo, Dave Pigeon and Skipper, are back in another hilarious adventure. In this book, Dave and Skipper are looking forward to the Big Dinner Day (aka Christmas Day) and even more so to eating the delicious scraps of the main meal… That is, until their neighbour lets them in on what humans eat on Christmas Day – BIRD. You can look forward to another not-so-foolproof plan from Dave and Skipper and their new friend Robbie the Robin. Author, Swapna Haddow, has taken a creature we see every day and turned it into a lovable character in her laugh-out-loud series. With beautiful illustrations from Sheena Dempsey and a well-written, hilarious text by Swapna, this is sure to be a treat for young readers who love animal stories and funny adventures. Swapna is also the author of the fabulous Bad Panda series. This is the seventh book in the series, but Turkey Dinner can be read alone.

Small, Shiny Dung Beetle - Hannah Bailey & Mary Auld The story begins with a small, green dung beetle on a fresh pile of soft elephant poo. From here we see her form a small ball of poo which she seeks a mate to help her roll. Together they roll it to a soft patch of earth where they bury it. She lays an egg in the middle of the soft ball of poo. Then they start again until there are several buried balls of poo, each with an egg inside. The book then follows the life cycle of the dung beetle through all the stages until it hatches and then repeats the cycle itself. This book is jam-packed with facts and information not just about the dung beetle but about the African Savannah and the animals who live there. The illustrations are beautiful with lots of elements for children to spot, aided by an eye-spy on the large, fold-out page at the end. The fold-out page also includes a map showing the distribution of dung beetles around the world and illustrates clearly the life-cycle of the beetle.

Time Lions and the Chrono-Loop - Alastair Chisholm

This is an intriguing twist on the time travel genre. The main protagonists are genius twelve-year-old twins – Pearl and Patrick – who are about as far from being 'normal' children as possible, although they hide their abilities well from their peers. Pearl is an engineering whizz with a host of mind-blowing inventions to her name, and Patrick has an unsurpassed knowledge of the whole of history. They have engaged in a variety of illegal behaviours using Pearl's inventions, such as stealing a diamond from the Crown Jewels in the Tower of London, and are being watched by MI5! Then Pearl invents a time machine which relies upon the acquisition of historical items that are originally from the era to which you wish to travel. Despite believing that they have made a successful jump back to Ancient Egypt, there is a nasty surprise in store from a secret society which shows just how much damage their little jaunt has done. Best suited to upper KS2.

Attendance Roadmap

Norfolk County Council

In line with the DfE Statutory Guidance we offer a supportive, stepped, attendance approach. We will offer a welcoming ethos with high expectations for all. We will assess data to identify absence trends & use preventative discussions/meetings with families to listen, understand & support to remove barriers. Where needed, we will formalise support to nurture improvement with Attendance Contracts & as a last resort we will consider intensifying support &/or enforce legal sanctions.

STEP 1 -Identify, Assess & Prevent

Our daily actions & processes aim to promote relationship building with children & families to prevent absence. This involves monitoring data trends & absence patterns to inform our conversations with you (& your child where age allows). The trigger for conversations is where absence becomes a cause for concern. Other daily actions involve promoting attendance positively, using praise & incentives, swift absence follow up, texts, school apps, email &/or letter communication to raise your awareness of emerging concerns, processing requested or unrequested 'term time exceptional absence' & doing home visits to meet our safeguarding duties as required.

STEP 2 - Absence Support

We move to this step if absence continues (authorised or unauthorised) to prevent further absence occurring. Discussions & meetings will be offered to identify if early support or reasonable adjustments are needed. This will be done using discussions &/or meetings to create a supportive action plan. A Family Help referral or signposting to other external agencies will be offered, if appropriate, for support to be accessed to help overcome identified barriers to attendance.

STEP 3 - Formalised Support

Where absence continues & initial support needs to be increased an Attendance Contract will be offered to formalise support. This is a nurturing plan of improvement to prevent further escalation. Achievable & individual targets will be set & reviewed regularly. Medical &/or other information will be actively sought at this point if required to work collaboratively with you & other agencies. An Attendance Contract can run alongside other meetings e.g., EHAP.

STEP 4 - Warnings - Concerns Remain

Where STEP 2 or STEP 3 support has been unsuccessful &/or declined, or if the Attendance Contract has failed, a 'Notice to Improve' letter will be issued to reinforce the need for immediate improvement.

STEP 5 - Legal Action - No Improvement

Legal action (Penalty Notice or prosecution) MAY be requested by the school from the Local Authority (LA) if unauthorised term time absence is taken, or if overall absence continues to occur & reaches or exceeds the national threshold for absence, despite STEPS 1-4 being attempted. The LA will consider whether a family court order such as an Education Supervision Order will also be considered as an alternative or alongside prosecution.

PENALTY NOTICES & LEGAL ACTION

1st Offence of term time leave &/or irregular attendance (10 sessions of unauthorised absence or more) = penalty notice of £160 per parent, per child if paid within 28 days. If paid within 21 days the amount is reduced to £80 per parent, per child.
2nd Offence within 3 years = penalty notice of £160 per parent, per child payable within 28 days, no reduction available.
3rd Offence within 3 years NO PENALTY NOTICE considered. The case will be presented to **Magistrates' Court** under s444(1) or (1a) of the Education Act. If found guilty, a fine of up to £2500 per parent, per child can be issued. Convictions for s444(1a) offences will show on DBS record.

The LA also retains the discretion to consider proceeding straight to prosecution where appropriate.

Please talk to us about how we can support you &/or your child at any time.
