FRIDAY 15TH MAY 2026

A HUGE WELL DONE YEAR 6!

This week, our Year 6 children have approached their SATs with outstanding focus, determination and maturity. They have worked incredibly hard throughout their whole primary school journey, and it has been wonderful to see their resilience and commitment shine through over the past few days.

Each and every one of them has shown great independence and a calm, positive attitude – we are immensely proud of them all.

Today, the children enjoyed a well-deserved celebration breakfast and have loved wearing their leavers' hoodies – thank you to our grown-ups for organising these so thoughtfully.

A special thank you also goes to Mrs Taylor and Mrs Ellis for their hard work in organising the week so smoothly – it is very much appreciated.

Enjoy a well-earned rest this weekend, Year 6 – you truly deserve it!

TRANSITION

The whole staff team is busy planning a wide range of transition activities – from welcoming our new Reception children to preparing our Year 6 leavers. We also recognise the importance of transition between year groups, and many of our staff meetings this term have focused on how we can make this as successful and reassuring as possible for your child.

After half term, we will be sharing our transition plans. In addition, for families of children with SEND, we will be arranging meetings for both the current and new teacher to meet with families, ensuring effective provision and a smooth transition as your child moves on.

We are really looking forward to supporting every child through this exciting next step and celebrating all that they have achieved this year as they move forward with confidence.

ATTENDANCE

This week's overall attendance 95.3%

STAFFING NEWS

We are absolutely delighted to share the wonderful news that Mrs Tivey is expecting her first baby in October – a very special milestone. Huge congratulations to Mrs Tivey and her family at this exciting time.

Mrs Tivey will be with us at the start of the Autumn term, and we look forward to watching her bloom over the coming months as we also begin planning for her maternity leave cover.

We are also pleased to celebrate Mr Hansen's next step, as he takes up a new teaching position in September 2026. We are very grateful for all he has contributed to our school community and wish him every happiness and success in this exciting new chapter.

We are currently in the process of recruiting a new teacher to join our team in September and look forward to welcoming them to our school.

After half term, our transition activities will begin, offering children valuable opportunities to prepare for the year ahead. Families will also be informed of teaching arrangements, including which teachers will be leading each year group for the next academic year.

FRIDAY 15TH MAY 2026

Y5 STRANGERS HALL SHOWCASE!

We are proud to announce that our Year 5 Class Tudor - inspired work is being Showcased at Strangers Hall this May Half Term! There will be games, models and information about Tudor life and Kett's rebellion.

Click the link to find out more information - Museums events search - Norfolk Museums Service

Y3 LEARNING ANCIENT ROMANS

On Monday, Year 3 had an Ancient Romans workshop led by Graeme Simmonds. We were shown maps of what the local area would have looked like during Roman times. We found out what it is like to be on an archaeological dig and we handled Roman artefacts that had been discovered.
We want to say a big thank you to Graeme for such a fascinating afternoon and for bringing this topic to life!

Y3 LEARNING

Year 3 were delighted to welcome Clayton's dad, Rhys, into class on Friday to tell us all about his role at the Bacton Gas Terminal. The children were fascinated to learn what happens at the terminal and how its work plays such an important role in our everyday lives.
We discovered how gas travels through the pipeline beneath the seabed and discussed the important safety procedures followed in the event of an emergency. It was a fantastic opportunity for the children to learn more about real - world careers. A big thank you to Rhys for taking the time to share his knowledge and experiences with us.

SPECIAL MENU

On **Thursday 21st May 2026** there will be a Special Menu. **If your child would like this, please order via ParentPay by Monday 18th May 2026**.

If you have previously booked your child a meal for this day on ParentPay, your original selection would have been removed.
Please re-order your child's school meal for this day on ParentPay.

BITESIZE BOOKWORMS READING COMPETITION

National Year of Reading 2026

Primary schools across Norfolk are being invited to take part in an exciting new reading competition, designed to inspire children to read for pleasure as part of The National Year of Reading 2026.
The Bitesize Bookworms Competition encourages pupils to celebrate their love of books by writing a short review of their favourite story - in 25 words or fewer! Children simply need to share what they love most about a book they enjoy. It could be a favourite character, an exciting moment in the story, or why they think the book is the best ever.
Not sure where to begin? Children might consider:
Why is this book your favourite?
Which part of the story do you love most?
Who is your favourite character and why?
What happens in the story?
Short, creative responses are perfect!
Entries will be judged by a panel including MC Grammar, Richard Madeley, and Judy Finnigan.
Prizes
One winner and three runners-up in each age group
Winners receive a £200 TGJones Gift Card and £4,000 worth of books and stationery for their school
Runners-up receive a £50 TGJones Gift Card and £500 of equipment for their school
How to enter
Parents or guardians should submit their child's review online by **11:59pm on Friday 5 June 2026.**
Click here to submit an entry:
Bitesize Bookworms Competition Entry Page
Entries will be judged on creativity, humour, understanding and overall impact. Winners will be contacted after the closing date.
We hope lots of our children will take part - happy reading and good luck!

GET IN TOUCH!

Hearing about different jobs in the wider world is incredibly inspiring for our children. If you would like to visit school to talk about your job or share an interesting hobby with a class, please get in touch with your child's class teacher — we would love to hear from you!

OPAL helps us relax after our SATs

Regulating our nervous systems

Giving us an energy boost

Providing a distraction

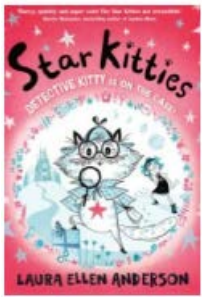

Easing stress

Reconnecting with friends

Letting us be silly and have fun!

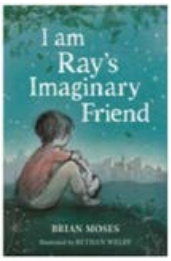

Star Kitties– Laura Ellen Anderson

This illustrated early chapter book series tells the story of a secret world of cats. The striking two-colour illustrations make the book very appealing and ideal for children in Year 2 upwards (age 6+). There is also a map at the start for children to follow the characters on their detective mission. It is a great book to use as a stepping tool from KS1 to KS2: it has short chapters and could help children progress from phonics and onto comprehension led reading.

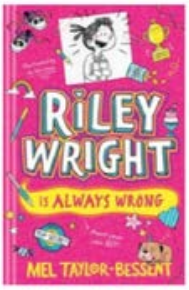

The Panda Badger - Ben Cajee and Brie Schmida

The Panda-Badger introduces readers to Pablo, who lives in a seemingly fixed world badgers look like badgers and pandas look like pandas, and everyone knows where they belong. But Pablo is neither one nor the other! He is a unique mix of both. In a society that sees the world in binaries, Pablo's very existence challenges the boundaries of belonging. This story sensitively explores the idea that strengths and weaknesses are sometimes a matter of perspective. The badgers thrive in water, while the pandas avoid it. Pablo is in between. Where does someone belong when they do not neatly fit the categories that others rely on? How can Pablo stay true to himself when he feels pulled in opposing directions? The book provides a platform for discussion about identity, diversity and empathy.

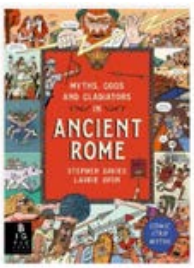

I am Ray's Imaginary Friend - Brian Moses

From the outset, the gentle cover, light humour, and engaging narrative voice quickly draw readers in. The story is told from the perspective of Jacob, an imaginary friend created by Ray, whose warm and witty narration establishes an immediate emotional connection. Ray's life in his village is turned upside down when he overhears his parents discussing a potential move. Distressed and unsettled, he invents Jacob as a source of comfort. Through their conversations, Jacob helps Ray build resilience and confidence, guiding him through feelings of anxiety and uncertainty. The story sensitively explores themes of change, empathy and emotional growth, presenting them in a way that is both accessible and reassuring for young readers from age 6 upwards.

Riley-Wright Is Always Wrong - Mel Taylor-Bessent

This is the first book in a super-fun and positive new series aimed at younger readers who are not yet ready for Dork Diaries, Lottie Brooks or Diary of a Wimpy Kid.It follows the life of Riley Wright, a girl starting in Year 4 at a school where her Dad is going to be the new Headteacher! Riley is often embarrassed by her father and hopes to blend into her new environment, so she is horrified when he announces that she is his daughter on the first day. Despite this, she manages to make a best friend (Emmie) that morning and is shown her secret library in a long-forgotten cupboard, which becomes the girls' refuge during the next few weeks. There are positive messages about things usually turning out better than you expect, not becoming worked up about difficulties with one tricky person, and learning from our mistakes.

Myths, Gods and Gladiators in Ancient Rome - Stephen Davies and Laurie Avon

The Romans are endlessly fascinating and remain a popular subject for readers of all ages. In this engaging book, readers are immersed in the world of the Romans and, through exciting comic-strips and highly illustrated spreads, are given a chance to learn about key elements of their history and culture, both good and bad. A fantastic choice for fans of the Romans and a great way into a history topic for Key Stage 2 pupils – especially those who enjoy reading comics and graphic novels.

Reminder
Uniform Expectations

We have noticed that a number of children are not coming to school in the correct uniform, particularly on PE days. We'd like to kindly remind families of our expectations so that we can maintain a consistent and smart appearance across the school.

Children may come to school wearing their PE kit on their PE day or when attending an after-school sports club. However, it is important that the correct PE kit is worn. Branded sportswear, football kits, or alternative sports clothing should not be worn in place of school PE uniform.

We are especially seeing this issue in the older year groups, and we would really appreciate your support in helping us reinforce these expectations.

Thank you for your cooperation.

SCHOOL UNIFORM

Navy-blue crewneck sweatshirt or navy-blue cardigan either plain or with school logo

Navy-blue or dark grey trousers or navy-blue skirt or navy-blue pinafore dress

White polo shirt either plain or with logo

Black shoes

PE KIT

Navy-blue shorts

Polo shirt in the child's House Team colour (either plain or with the school logo)

Trainers

Tracksuit/jogging suit/fleece jacket in cold weather (no logos)

Drawstring PE bag - spare socks

Apple Flapjack

There's nothing quite like flapjack and the apple makes this recipe nutritious and delicious!

Ingredients list

- 325g Rolled Oats
- 200g Apples – peeled, cored, and diced
- 140g Baking Margarine
- 120g Caster Sugar
- 90g Golden Syrup
- 20ml Water

Method

1. Slowly melt the margarine, sugar, and syrup in a large pan.
2. Once melted, take the pan off the heat.
3. Add the oats, apple and water to the pan and mix well.
4. Lightly press the mixture into a greased and lined square or rectangular tin, 20cm x 30cm and bake at 160°C or gas mark 3 for 25 minutes or until firm and golden brown.
5. Portion while hot. Allow to cool slightly before removing from the tin.
