SCHOOL COUNCIL

Spreading Kindness
This week, the Kindness Ambassadors made some flowers to show their appreciation for some of the adults in school. The adults loved receiving them and we will definitely be doing it again soon as well as giving other children the opportunity to so the same 🙂

FOOTPATH THAT RUNS ALONGSIDE SCHOOL

Please be aware that the footpath that runs alongside the school will be undergoing improvements during half term and will be out of action from 26th May until Monday 1 June 2026

Dinners on Monday and Tuesday - first week back!

We have been informed by the school kitchen that unfortunately there will be no jacket potatoes available on Monday 1st June and Tuesday 2nd June 2026.
The kitchen sends their apologies for this.
If you have chosen a jacket potato for your child on these days, please select a different option on ParentPay for your child's lunch.

Year 5 Learning on display at Strangers Hall Museum in Norwich

We are incredibly proud of our Year 5 children, whose exceptional Tudor learning has now taken centre stage beyond the classroom.

Following an invitation for me to look at the children's work as part of their Henry VIII project, I was completely blown away by the depth of learning, creativity and effort on display. It was clear that this deserved a wider audience, and after a quick email to the museum service, plans quickly began to take shape.

After some careful organising — and transporting the wonderful pieces of work to the museum — we were delighted to be invited to officially launch the showcase at Strangers' Hall on Friday 22nd May. Families were also able to attend, making it a truly special shared experience.

The afternoon was a fantastic celebration of the children's hard work. It was a real pleasure to explore the museum together, see the children's learning beautifully displayed, and enjoy having the space to ourselves. The squash and nibbles were certainly a welcome treat too!

A huge thank you to our Year 5 children and their families for their dedication, effort and aspiration in producing such high-quality work. You have represented the school brilliantly.

The exhibition continues over the half term, so if you do visit Strangers' Hall, we would love to hear about your experience.

COMING TO BLOFIELD THIS SUMMER HOLS!

'The Railway Children'

By Paperback Theatre

DOORS 4:30 11TH AUG 26

A scandalous secret. An endless golden summer. A beast they call the Green Dragon. Bobbie, Peter and Phyllis (or Phil, to you and me) have been swept off to the English countryside by their mother, who is suddenly much too busy to play their games.

Left to explore their new home, it's not long before they feel the pull of the railway at the bottom of the garden. As they follow the tracks to the local station, a whole world opens up to them, full of charming characters, romance, peril, and questions that need answering.

Fresh from their 2025 tour of The Wind in the Willows ("fun, funny and utterly charming") Paperback Theatre returns to tour the UK with a brand-new adaptation of E. Nesbit's The Railway Children by Charis McRoberts.

The Margaret Harker Hall will be bringing a variety of Workshops & Entertainment to Blofield during the school Summer Holidays for families & children – please support us! All events FUNDRAISE and help support the PLAYPARK, VILLAGE HALL and all future maintenance including a new roof!

Star Kitties– Laura Ellen Anderson

This illustrated early chapter book series tells the story of a secret world of cats. The striking two-colour illustrations make the book very appealing and ideal for children in Year 2 upwards (age 6+). There is also a map at the start for children to follow the characters on their detective mission. It is a great book to use as a stepping tool from KS1 to KS2: it has short chapters and could help children progress from phonics and onto comprehension led reading.

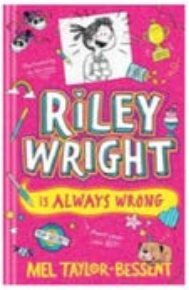

The Panda Badger - Ben Cajee and Brie Schmida

The Panda-Badger introduces readers to Pablo, who lives in a seemingly fixed world badgers look like badgers and pandas look like pandas, and everyone knows where they belong. But Pablo is neither one nor the other! He is a unique mix of both. In a society that sees the world in binaries, Pablo's very existence challenges the boundaries of belonging. This story sensitively explores the idea that strengths and weaknesses are sometimes a matter of perspective. The badgers thrive in water, while the pandas avoid it. Pablo is in between. Where does someone belong when they do not neatly fit the categories that others rely on? How can Pablo stay true to himself when he feels pulled in opposing directions? The book provides a platform for discussion about identity, diversity and empathy.

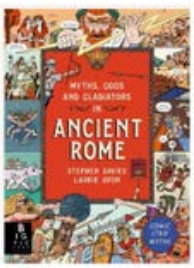

I am Ray's Imaginary Friend - Brian Moses

From the outset, the gentle cover, light humour, and engaging narrative voice quickly draw readers in. The story is told from the perspective of Jacob, an imaginary friend created by Ray, whose warm and witty narration establishes an immediate emotional connection. Ray's life in his village is turned upside down when he overhears his parents discussing a potential move. Distressed and unsettled, he invents Jacob as a source of comfort. Through their conversations, Jacob helps Ray build resilience and confidence, guiding him through feelings of anxiety and uncertainty. The story sensitively explores themes of change, empathy and emotional growth, presenting them in a way that is both accessible and reassuring for young readers from age 6 upwards.

Riley-Wright Is Always Wrong - Mel Taylor-Bessent

This is the first book in a super-fun and positive new series aimed at younger readers who are not yet ready for Dork Diaries, Lottie Brooks or Diary of a Wimpy Kid.It follows the life of Riley Wright, a girl starting in Year 4 at a school where her Dad is going to be the new Headteacher! Riley is often embarrassed by her father and hopes to blend into her new environment, so she is horrified when he announces that she is his daughter on the first day. Despite this, she manages to make a best friend (Emmie) that morning and is shown her secret library in a long-forgotten cupboard, which becomes the girls' refuge during the next few weeks. There are positive messages about things usually turning out better than you expect, not becoming worked up about difficulties with one tricky person, and learning from our mistakes.

Myths, Gods and Gladiators in Ancient Rome - Stephen Davies and Laurie Avon

The Romans are endlessly fascinating and remain a popular subject for readers of all ages. In this engaging book, readers are immersed in the world of the Romans and, through exciting comic-strips and highly illustrated spreads, are given a chance to learn about key elements of their history and culture, both good and bad. A fantastic choice for fans of the Romans and a great way into a history topic for Key Stage 2 pupils – especially those who enjoy reading comics and graphic novels.

Reminder
Uniform Expectations

We have noticed that a number of children are not coming to school in the correct uniform, particularly on PE days. We'd like to kindly remind families of our expectations so that we can maintain a consistent and smart appearance across the school.

Children may come to school wearing their PE kit on their PE day or when attending an after-school sports club. However, it is important that the correct PE kit is worn. Branded sportswear, football kits, or alternative sports clothing should not be worn in place of school PE uniform.

We are especially seeing this issue in the older year groups, and we would really appreciate your support in helping us reinforce these expectations.

Thank you for your cooperation.
