BLOFIELD PRIMARY SCHOOL

SEE YOU TOMORROW!

Dear Families,

Tomorrow morning we will open our gates once again and welcome our children back to Blofield Primary School for the start of a new academic year.

As I begin my second year as Headteacher, I want to say how excited I am for the year ahead. Over the past year, I have been incredibly proud to become part of such a caring, supportive and committed school community, and I am looking forward to continuing our journey together.

A very warm welcome goes to all of our new children and families who will be joining us tomorrow, including our new Reception children as they begin their school journey. We are delighted that you are becoming part of the Blofield family and look forward to getting to know you over the coming weeks.

The start of a new school year often brings a mixture of emotions: excitement, anticipation, curiosity and perhaps a few nerves. Whether children are starting school for the very first time, joining us from another setting, or returning to familiar faces and routines, please be reassured that our staff team will be ready to welcome them and help them settle quickly into school life.

We have lots to look forward to this year and I am excited to see our classrooms filled with learning, laughter and friendsh once again.

I look forward to seeing many of you on the gate tomorrow morning. If you spot me, please do come and say hello.

Warm regards,

Mrs Vicky Buxton

Headteacher

Values and Understandings

As we get ready to start a new year, it is a wonderful time to remind ourselves of the values that sit at the heart of our school: **Kindness, Resilience and Aspiration**. These values guide how we learn, how we play, and how we care for one another. Every day, we see children showing kindness in their friendships, setting ambitious goals in their learning, and bouncing back with determination when things feel challenging. These are the qualities that make our school a special place.

We also continue to share our expectations which we introduced last September to support our whole school community to work well as a team:

Ready
Respectful
Safe

We believe these shared understandings will strengthen the way children and adults alike live out our values and create a school where everyone feels they belong.
After all, a school is not a school until it has children and adults working together.

Breakfast Club Funtime Club

Both of these clubs start back tomorrow.
Please contact the office for more information.

Timings

A reminder that gates and doors are unlocked at 8.45am. Gates are then locked at 8.55am. If you are going to be late, please sign your child in at the office. Children must not be droppped off at the office without an adult signing them in. Many thanks.

Bikes and Scooters

Please can we ensure that no scooters or bikes are brought onto the playground. These can be left in the bike shed. Children will be asked to walk their scooters and bikes once on the school grounds.

Belonging and Building Relationships

You wil see on the pages below, adults have been working super hard to make the envinroment for children a welcoming place. Time will be spent over the next few days and weeks welcoming children back into school, building new relationships and learning the routines that we need in school to make things run smoothly.
